DECEMBER 2020

ST. VINCENT DE PAUL'S
CHRISTMAS MESSAGE TO HIS FRIENDS

There is an old Christian tradition that God sends each person into this world with a special message to deliver with a special song to sing for others, with a special act of love to bestow.

No one else can speak my message,
or sing my song,
or offer my act of love.
These are entrusted only to me

According to this tradition,
the message may be spoken, the song sung
the act of love delivered
only to a few
or to all the folk in a small town,
or to all the people in a large city,
or even to all the people in the whole world.
It all depends on God's unique plan
for each person.

At this holy time of Christmas, when we are recalling the fact that God so loved the world that He sent his Son into the world for us, I want to say this to you:

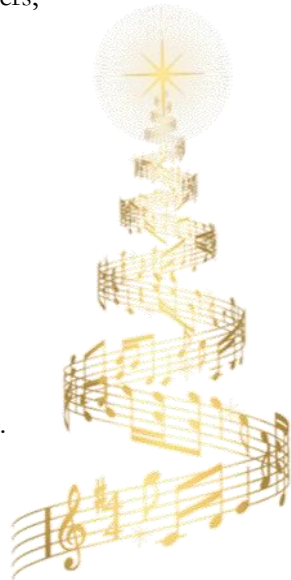

Your message has been heard in my heart,

Your song has warmed my world,

And your love has brightened my darkness.

Thank you, thank you for your message, your song your love.
You will always be in my own grateful heart and prayers.

A SINCERE THANK YOU

During this year the Society of St. Vincent de Paul Altoona Johnstown has been graced with donations from various organizations and individuals.

Most of our fundraisers were cancelled due to Covid 19 but many of you in the community did not forget that there are many individuals and families that continue to struggle everyday. Whether unemployed, underemployed or on lay off because of the many businesses suffering due to the pandemic many of you that were able to give have done so.

Because of the generosity from private and business donations, foundation grants, and the proceeds from the thrift stores the needs offices in Altoona and Johnstown can continue to help families and individuals in the community.

Thank you for **Helping Us Help Others!**

SVDP COMMUNITY GARDENS A MESSAGE FROM JIM YEAGER

Wow...This summer went so fast and we all have worked so hard providing fresh, nutritious vegetables to so many individuals. Dotty [Caminiti, community gardens co-manager] and I want to express our sincere appreciation for the all your help in making this project so successful this summer.

Due to Covid - 19 employment hardships in our community, we decided in February to open up additional field areas for growing produce. The decision came with optimism and outweighed the increase amount of labor hour to meet the challenge.

As a result, the summer of 2020 has produced over 13,081.4 LBS of fresh vegetables donated to local agencies. Because of your generous contribution of time and sacrifice we have succeeded in meeting the needs of so many people in our Community. Most importantly, we built a close friendship and garden community.

Through your continuous deduction, we have had an extremely successful season serving others. We want to thank you for your years of dedication to the Monastery Community Gardens Initiative.

The 2021 season will be here before you know it and already plans are being made for next year's gardens. All of us are stake-holders in this project and we are open to hearing from you with any suggestions to better our garden initiative.

We look forward laboring with you again in the hot summer sunshine of 2021. Hope you join us again next season.

Blessing to you and your family this Holliday Season.

Peace,
Jim Yeager
community Gardens co-manager
