

Accessibility Statement

Last Updated: July 16, 2026

Our Commitment to Accessibility

The Society of St. Vincent de Paul Altoona-Johnstown is committed to ensuring digital accessibility for all visitors, including individuals with disabilities. We strive to continually improve the user experience for everyone and to apply recognized accessibility best practices whenever possible.

Accessibility Standards

We are working to make our website as accessible and usable as possible by following the Web Content Accessibility Guidelines (WCAG) 2.1 Level AA wherever practical. These guidelines help make web content more accessible for people with a wide range of abilities and assistive technologies.

Ongoing Improvements

Accessibility is an ongoing effort. We regularly review our website and make updates to improve accessibility, usability, and compatibility with commonly used browsers and assistive technologies.

While we strive to ensure all content is accessible, some older documents or third-party content may not yet fully meet current accessibility standards. We are committed to improving these materials over time.

Need Assistance?

If you experience difficulty accessing any content on this website or require information in an alternative format, we encourage you to contact us. We will make every reasonable effort to provide the information or assistance you need.

Society of St. Vincent de Paul Altoona-Johnstown
Phone: (814) 943-1981
Mailing Address: 1215 7th Avenue, Altoona, PA 16602

When contacting us, please include:

- The webpage or document you were trying to access.
- A description of the issue you experienced.
- Your preferred method of communication.

Third-Party Websites

Our website may include links to third-party websites or services. We cannot guarantee the accessibility of content provided by these external sites, but we encourage those providers to maintain accessible online experiences.

Feedback

We welcome your feedback on the accessibility of the SVdP website. Your comments help us continue improving the experience for all visitors.

Thank you for helping us make our website more accessible and inclusive.
